议论文7

**Do you agree or disagree with the following statement?
Employees who can always find new or better ways to solve
problems are more valuable to companies than employees who
are good at following the instructions from managers.**

如何写 “例子”

主题句 : On the other hand, **employees** who are good at **following managers' instructions** are more valuable to companies because there are **no communicative barriers** between the employees and their supervisors.

支持句 : For example, **my brother** who was a **soldier** 10 years ago recently accepted a business project assigned by his manager just because he was **not accustomed to refusing** his managers while his colleagues opposed this project.

如何写 “例子”

主题句： In addition, **employees** who **obey orders** from managers tend to be more **responsible**, which is the most important quality of an employee for companies.

支持句： For instance, **teachers in Chinese private high schools** always **work overtime** to help their students get higher scores whenever **the school administrators require them** to improve their academic performance in important exams.

如何写 “例子”

	个体	群体
例子	<u>For example</u> , my brother who was a soldier 10 years ago recently accepted a business project assigned by his manager just because he was not accustomed to refusing his managers while his colleagues opposed this project.	<u>For instance</u> , teachers in Chinese private high schools always work overtime to help their students get higher scores whenever the school administrators require them to improve their academic performance in important exams.
真实性	军人以服从命令为天职	中国私立学校的老师确实更听话
具体性	什么时候是军人？ 10 years ago 什么样的project？ assigned by his manager	哪的老师？ Chinese private high schools 加班干嘛？ help their students get higher score

如何写 “例子”

主题句： Second, it is much **less stressful** for me to communicate in English **at the corner** than to speak it in public.

支持句：

如何写 “例子”

主题句： Second, it is much **less stressful** for me to communicate in English **at the corner** than to speak it in public.

支持句： For example, I used to talk in English averagely **more than 1 hour** each time **at the corner without feeling nervous**.

如何写 “例子”

主题句 : On the other hand, **employees in a joint venture** always have **higher salaries** than those in a state-owned company.
